PRCA RODEO ACTION

PARTIAL FUNDING FOR THIS EVENT WAS PROVIDED BY THE CITY OF SEGUIN, TEXAS

Lancaster Pro Rodeo
is THE show to see!
 Join us Thurs.-Sat.,
 Oct. 9, 10, & 11.

Lancaster Pro Rodeo Company will be here again this year with their always entertaining show. Rodeo action at the Guadalupe County Fairgrounds will kick off Thursday, Friday and Saturday at 7:30 pm.

Seguin is actually one of the first rodeos of the 2026 fiscal year for the PRCA since their calendar year runs from Oct. 1st to Sept. 30 each year. This means the Cowboys and Cowgirls are all looking to get a head start for their chance to qualify for the 2026 NFR. Lancaster stated, "Seguin has increased the added money for the contestants, creating a must enter rodeo for the contestants who are looking for that edge in the world standings for the new rodeo season. As in previous years, several world champions enter the Guadalupe Co. PRCA Rodeo, & this year should be no different."

Lancaster always brings family entertainment. Come join us for the 2025 Guadalupe County Fair & PRCA Rodeo, "The road to the gold starts in Seguin, TX"

JOHN HARRISON RODEO CLOWN

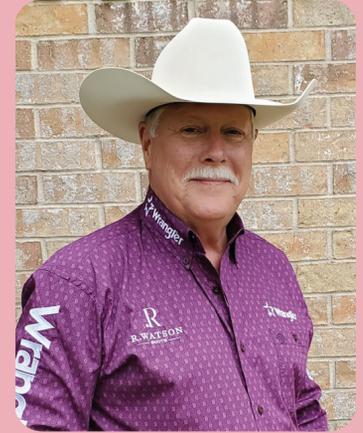

John Harrison and team are known as "The Clown Family" among rodeo fans and professionals. You rarely see John at a rodeo with out his tribe. He and his wife, Carla have had 4 children. Addy, their oldest is embarking on a fun journey of her own. She interviews contestants & personnel and then asks them questions kids want to know about. Caz, their son, has been seen dressed just like John entertaining and doing flips during the mutton busting, but now is focusing on steer riding and all things hunting. Next in line would be Billie, a daughter, now an angel in Heaven. Capping off the crew is the youngest girl, Charlee, who is the self proclaimed "leader" of everything, but especially the Clown Family!

John comes by the family aspect honestly, while he is a noted rodeo clown and barrelman, his late grandfather was a rodeo legend, Freckles Brown. (Freckles rode the "unrideable" bull Tornado, the subject of Western Music songs, and was a World Champion Bull Rider in 1962) John was around rodeo and rodeo people his whole life. He became a member of the Professional Rodeo Cowboys Association (PRCA) in 1999, as a trick and roman rider, and trick roper. He later diversified and added barrelman to his PRCA card.

John has worked rodeos from coast to coast and has made 13 appearances at the prestigious National Finals Rodeo, three times as a specialty act performer and 10 times as a barrelman. You may see John just about anywhere in the United States entertaining crowds in his signature yellow shirt with red fringe and topped off with the red cowboy hat. He packs several different acts with him in his living quarters trailer, so there is no telling what you may see!

John feels blessed to be doing what he loves and with those he loves at his side.

CHARLIE THROCKMORTON

Rodeo announcer Charlie Throckmorton's career spans more than 49 years. He announced his first rodeo in 1969 while still in high school. Now, a PRCA Gold Card member, Throckmorton has covered rodeo and bull riding in more than 40 states across the nation.

Some of the major events he has announced include:

- 1991 Wrangler National Finals Rodeo (announcing team)
- 3-time announcer PBR World Finals, Las Vegas, 2001-2003
- 18-time announcer National Finals Steer Roping, 1990, 2001-2017 (tied the record in the PRCA of most consecutive times to announce the event).
- 11-time announcer Texas PRCA Circuit Finals
- Ram National Circuit Finals 1992
- Xtreme National Finals Bull Riding, Reno, Nv. 2005
- Timed Event Championships, Lazy E, Guthrie, Okla. 4 times

In April of 2007, Throckmorton was inducted into the Texas Rodeo Cowboy Hall of Fame. The PRCA media guide calls Throckmorton a repository of knowledge (even among fellow gold card members) with extensive knowledge of the sport of rodeo.

His voice is heard on many radio and television stations in various venues throughout the country, including billboard's on live NBC television. Throckmorton is sponsored by Justin Boots and Wrangler.

True Women Drill Team

Captain, Lynn Lehman, 1st Lt, Tawnya Soto, 2nd Lt Kailan Neff

The ladies of the True Women Drill Team are excited to be performing for the 2025 Guadalupe County Fair and PRCA Rodeo. Formed in 2002 and named for Seguin native Janice Woods Windle's novel, True Women, this team is proud to honor the traditions of the pioneer women who settled Guadalupe and surrounding counties. Team members work to emulate the courage, perseverance, and determination of their foremothers as they ride to celebrate the successes in overcoming the hardships of pioneer life. With their stunning performances throughout South Central Texas, they showcase synchronized horsemanship and unwavering camaraderie. In addition to performing at various rodeos, equestrian events, and parades, the True Women volunteer their time and horses for service projects such as the Chris Crossing Foundation, Survivor's Day for Gold Star Families and educational programs for youth organizations. The ladies truly enjoy sharing their knowledge and love of horses!

The 2025 drill team diamond and platinum sponsors are: Lonestar IV Medics, San Marcos Iron Doors, Quarter Moon Plumbing, Acadian Ambulance of Texas, Chuck Hughes Memorial Arena, EXP Realty Jana Evola Realty, Flack Realty Group, and J Bar C Horse Products. In addition to these much-appreciated sponsors, the True Women are supported by a hard-working ground crew made up primarily of team members' significant others. The team could not accomplish all they do without their sponsors and ground crew.

The True Women will open the PRCA rodeo each night with a flag presentation to honor our country and perform their high-speed precision drill for your entertainment during the rodeo. The True Women Drill Team is a testament to the enduring legacy of South Texas women and a source of pride for their hometown of Seguin and beyond, by displaying courage, teamwork, determination, and perseverance in everything they do. These ladies would love to perform for your event or conduct an educational program for your group. For more information, search True Women Drill Team on Facebook and Instagram.

J. LONG EXPOSURE Also known as time-exposure or slow-shutter, this technique involves using a long duration shutter speed. It can be used to sharply capture stationary elements of an image while blurring, smearing, or obscuring the moving elements. It is also used in lowlight conditions. Examples: fireworks, moving water, light trails, Milky Way, light painting, night or low-light conditions, etc.

K. MOTION/ ACTION The capture of movement within a single photo. The subject appears stopped or "frozen". Examples: Ferris wheel spinning, sporting events, horse running across a field, etc.
